

Hypro Spray Tip - GAT110-05 Brown RHYGAT110-05

Details

The best choice for high coverage applications where on-target spray delivery is important, especially for low crops with complex canopies, giving thorough coverage of the target and protection of the surroundings. Features highcoverage forward and rear facing fans that help penetrate complex canopies. Provides better coverage with more drops per gallon compared to other air-induced sprays. Easy-to-install, patentpending locking ring and O-ring seal design. FastCap complete includes tip, cap, gasket and integrated strainers.
